"Man may work from sun to sun, but woman's work is never done." That's why women are overworked, nervous, all run down, no appetite, and can "hardly drag around." Vinol creates a hearty appetite, strengthens the digestive organs, induces sound sleep, invigorates the nerves, and in this natural manner creates working strength.

Narraganestt Pier, R.I.

"I was all run-down, back ached, and tired all the time. I keep house for my husband and four children and could hardly keep around. Finally I tried Vinol and it has restored my hashth and belped me wonderfully, so I recommend it to others who are in this condition." Mrs. Hannah Randail.

"I keep house for my little family, but got into a weak, nervous, rundown condition, tired all the time and no ambition. My doctor told me to try Vinol, and in a week I felt like a new person. I am now strong again, look after my baby, and do all my bousework."—Mrs. G. H. Lamson. For all cun-down, nervous, anaemic conditions, weak women, overworked men, fooble old people and delicate children, there is no remedy like Vinol.
